PREPARING YOUR ESCAPE

SCENE 1 OF 12

Aerial Awakening

Drone cameras rise over Crystal Cove — turquoise shallows, volcanic cliffs and a sky that never ends.

"Some places don't need words. They take your breath first."

☆ THE DISCOVERY

A Dream by the Sea

In 2009, Zain Shah stumbled upon a hidden cove on the Crystal Coast — a crescent of untouched sand kissed by turquoise waters. He sketched the first plans on the beach, dreaming of a sanctuary where luxury and nature could breathe as one. Today, that vision stands as Zain's Serenity.
